

# Charing Cross - Dairy Farm

## 42kWp Solar Array

The equity partner on this dairy farm was looking to future proof their investment, by retrofitting solar on the recently built dairy shed. By making use of ASB's 5 year 0% interest offering for solar on farms, a fantastic result was achieved for the farmer.

### Project Highlights:

**\$12,000 p.a**  
**energy bill savings**

**~5 Year payback**  
**~20% ROI**

**Total cost ~\$60k**
